The Miracle of "NOW" for New Year

Nothing Is Worth More Than This Day is a beautiful book written by Kathryn and Ross Petras. It is a collection of inspirational quotes and reflections that encourage living in the present moment. The book emphasizes the value of appreciating each day, finding joy in simple experiences, and embracing gratitude. It serves as a reminder to cherish the present, live intentionally, and seek fulfillment in everyday life. Through its compilation of uplifting quotes and reflections, the book inspires readers to focus on the beauty of the present

Christmas: Accepting and Presenting Jesus

A Charisma is a time of joy, happiness and a time of expressing our love by sharing gifts, hanging of stars etc because it is a time in which we realize the rescuing love and power of God. "God rescued us from the power of darkness and brought us into the kingdom of his beloved Son. Through him we have redemption, the forgiveness of our sins. He is the image of the invisible God, the first-born of all creatures." (Colossians 1,13-15). According to the great theologian Gregory of Nyssa, Charismas is a time of shortening darkness and lengthening light; "Today the darkness begins to grow shorter and the light to lengthen, as

A Christmas Carol from Yuvakshetra

My dear students, faculties, and alumni, As the fragrant scent of pine needles and the joyful twinkle of lights fill the air, we at Yuvakshetra find ourselves nestled in the warm embrace of Christmas. It is a time for celebration, for the spirit of giving, and for reflecting on the universal message of love and peace. Through the pages of Yuvavox, 'the voice of Yuvakshetra College', I wish to extend a heartfelt Christmas message to each one of you.

To our vibrant students: you are the beating heart of this institution. Your boundless energy, insatiable curiosity, and unwavering pursuit of knowledge fill our

Christmas Joy & Happiness

"Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger" (Lk: 2,10-12).

Christmas is celebrated all over the world with joy and happiness. It is the time of the year when friends and family come together and celebrate it with joy and spread happiness with each other. It is a time of the year where everyone remembers how grateful they are and also helps in doing voluntary work to help poor people.

the hours of night become fewer... Realize that the true light is now here and, through the rays of the gospel, is illuminating the whole earth”.

Experiencing Charismas includes two different dimensions: accepting Jesus and presenting Jesus. Accepting Jesus means to study and understand all what is mentioned about him in the Sacred Scripture and the prophets and all the precursors of Jesus, “Therefore the Lord himself will give you a sign, Behold, a young woman shall conceive and bear a son, and shall call his name Immanuel”, (Is. 7, 14). This Scripture points to the manner in which he will be born, and also to one of the names given to Christ: Immanuel, meaning God with us. This was pointing to both his human birth and his divine nature. This was written over 700 years before Christ was born. Another reference tells, “But you, Bethlehem Ephrathah, though you are small among the clans of Judah, out of you will come for me one who will be ruler over Israel, whose origins are from of old, from ancient times”, (Micah 5, 2). We know Jesus was born in Bethlehem and this Scripture tells us in advance the place Jesus would be born. This prophecy was written by Micah approximately 800 years before Christ were born.

The second dimension which is equally important as the first one, accepting Jesus for which we have the perfect example of Blessed Virgin Mary who accepted Jesus saying, “Behold the handmaid of the Lord, be it done to me according to your will” and presented to the world. The above salutation of Mary was not only the sign of accepting the will of God and Jesus, but the total surrender to the will of God. The presentation of Jesus by Mary and Joseph represents the total giving of Jesus to the world by Mary and Joseph. According to the gospel, Mary and Joseph took the Infant Jesus to the Temple in Jerusalem on the fortieth days after His birth to complete Mary's ritual purification after childbirth, and to perform the redemption of the firstborn son, in obedience to the Torah (Leviticus 12, Exodus 13, 12–15, Luka 2, 21-24).

Let us deepen ourselves in the knowledge of Jesus and all other matter including the study subjects that that would enrich our life and present Jesus, with personal divine encounter, to the world. Let us also learn that the perfect joy is in giving than receiving.

I wish you a **Happy Christmas and a Happy New Year.**

moment and find meaning in daily experiences.

This book details a lot of points for the personality development and growth. I have noticed three points which are so relevant as we are crossing the New Year 2024. The first point that I refer from the book is to Embrace the Present. The book emphasizes the value of living in the present moment. It encourages readers to cherish and make the most of each day rather than dwelling on the past or worrying about the future. The Philosophy of "Now and Living in the Presence" must become part and parcel of our daily living.

Mindfulness and Awareness would be the second point that I would like to mention from the book. Being mindful and aware of one's surroundings foster a deeper appreciation for life. It encourages paying attention to the present with optimism and positivity and without judgment.

Self-Reflection over the purpose and meaning of life and Growth in the attainment of goals is the third reference that I want to make here. Reflecting on experiences allows for personal growth. The book advocates for self-reflection as a means of learning and evolving.

Nothing Is Worth More Than This Day serves as a reminder about the positive aspects of life. It encourages a mindset of mindfulness so that the concentration over the aspects of personal growth that would guide readers toward a more fulfilling life.

This is also the season of Christmas in which we remember the birth of Jesus, the redeemer of the world. The Joy of Christmas becomes complete in the sharing of our haves with the have-nots especially the Joy and Peace that we have with us.

When Charismas and New Year become enveloped in Joy, Peace and Mindfulness, the celebrations would be doubly enriching. Wish you a **Happy Christmas and a Happy New Year!!!**

The significance of Christmas is known to everyone. As we all know Christmas is celebrated as the day of the birth of Jesus Christ in this world and it symbolizes the significance of life. He was born in a world that only knew greed, hatred, vengeance, and hypocrisy. In spite of all the negativity that was spreading around the world as he grew old, he eliminated all of it and taught everyone to love each other and the significance of how being grateful for what a person has can bring peace to the world.

Wishing you all a **Merry Christmas and Happy New Year 2024!!**

halls with the music of possibility. This Christmas, embraces the joy of learning, the warmth of friendship, and the spirit of service. Let your light shine brightly, illuminating the world with your unique talents and passions.

To our dedicated faculties you are the architects of young minds, the sculptors of dreams. Your tireless efforts, unwavering support, and profound wisdom guide our students toward a future steeped in excellence. This Christmas, may your hearts be filled with the satisfaction of seeing your students blossom, and may the spirit of camaraderie among your colleagues bring you joy and strength.

To our cherished alumni: you are the living legacy of Yuvakshetra. Your achievements, contributions, and unwavering bond with your alma mater continue to inspire generations. This Christmas, let us celebrate your successes and rekindle the flames of friendship and community. May the spirit of giving back guide you to touch the lives of others, just as Yuvakshetra touched yours.

As Christmas dawns, let us remember the essence of this holy season: compassion, forgiveness, and hope. Let us extend a helping hand to those in need, mend broken bonds, and hold onto the unwavering belief in a brighter tomorrow. May the spirit of Christmas fill your homes with laughter, your hearts with love, and your lives with the promise of a blessed New Year.

Merry Christmas and Happy Holidays from the Yuvakshetra family!

Message

Dear Yuvakshetra College Community,

As we gather around the warmth of the holiday season, we reflect on the profound message of Christmas: a gift of hope, love, and renewal. In the spirit of this divine occasion, let us draw inspiration from the words of Isaiah 9.6, “For unto us a child is born, unto us a son is given.” In these words, we find the essence of Christmas—a celebration of new beginning, a reminder of the precious gift of life, and a call to embrace the spirit of generosity and compassion. To our students, may you continue to grow in knowledge and wisdom, guided by the light that this season brings; to our esteemed alumni, may your successes shine as beacons of inspiration for those following in your footsteps; to our dedicated teachers, your commitment to shaping young minds is a gift that keeps on giving. Parents, your love and support create the foundation upon which dreams are built. Together, as a community, let us embody the true meaning of Christmas, fostering an environment where learning, love, and laughter abound.

May this Christmas renew our spirits, strengthen our bonds, and inspire us to carry the light of Christmas throughout the coming year. Wishing, all a Christmas filled with enchantment, a New Year brimming with possibilities, and a holiday season that leaves you with memories as timeless as a classic Christmas carol.

Warm regards,
